On behalf of El Paso Composite Squadron – CAP, I would like to thank you for your support of Wreaths Across America at Fort Bliss National Cemetery.

In 2007, the Worcester family, along with veterans, and others who had helped with their annual Christmas wreath ceremony in Arlington, formed Wreaths Across America™, to continue and expand this effort, and support other groups around the country who wanted to do the same. This nonprofit organization continues the Arlington tradition as part of its mission to Remember, Honor and teach.

In 2017, Wreaths Across America and our national network of volunteers laid over 1,565,000 memorial wreaths at nearly 1440 locations in the United States and beyond. We accomplished this with help from over 3270 fundraising groups, many corporate contributions, and donations of trucking, shipping, and thousands of helping hands. Our annual pilgrimage from Harrington, Maine to Arlington National Cemetery is known as the world's largest veteran's parade, stopping at schools, monuments, veteran's homes and communities all along the way to remind people how important it is to remember, honor and teach.

On December 17, 2017, with your support we placed over 9,000 wreaths at Fort Bliss National Cemetery.

Proceeds place **one wreath at each grave** (you may sponsor **one for each side on a double-sided marker**) at Fort Bliss National Cemetery; help support our fundraising efforts to place a wreath on each grave at Fort Bliss National Cemetery. *Please note that all sponsorships are sent directly to the location and no wreaths are sent to the individuals purchasing sponsorships.* If you have any questions about ordering online please call 915-207-2231. Also, please tell us if you would like to place your wreath(s) on Saturday, December 15, 2018 or have a volunteer place it on your behalf. We welcome all to join us at the Fort Bliss National Cemetery Wreaths Across America ceremony. If you would like to participate or help bring sponsored wreaths to your local community, please contact us.
